## ADVOCATING FOR THE HUNGRY

**Army of the Kind (AOTK)** is committed to combating child hunger on a global scale. With a mission rooted in compassion and driven by a deep sense of responsibility, AOTK works tirelessly to ensure that no child goes to bed hungry.

Operating across eight countries, AOTK reaches over 1,000 children, providing them with the essential nourishment they need to grow, thrive, and achieve their full potential. Our comprehensive approach involves not only the distribution of nutritious food, but also the implementation of sustainable solutions to tackle the root causes of hunger.

Our advocacy efforts are multifaceted, encompassing community engagement, educational programs, and partnerships with local and international organizations. By raising awareness about child hunger and mobilizing resources, AOTK fosters a collaborative environment where stakeholders can contribute to lasting change.

# FILL A PLATE

For some, "**Fill a Plate**" means hosting a sponsorship event at your church or workplace or participating in a full immersion mission trip. For others, it involves investing in projects that establish fully staffed nutrition centers. At the 2024 Feeding Purpose Benefit, we invite you to help build a secure future by supporting our organization, allowing us to expand our reach.

Your investment as a Benefit Sponsor will connect more families, providing them with the security they deserve and easing the burdens on their households.

As a sponsor, you'll gain an immersive insight into our work and have the opportunity to make a profound impact. 100% of the funds raised through the Feeding Purpose Benefit go directly to our programs; none of it is used to cover the event costs.

We can't wait for you to join us on this powerful day of impact!

**Thank you for your support and commitment to making a difference!**
